Arkansas Public Defender Commission Annual Report for Fiscal Year 2010-2011

The Arkansas Public Defender Commission has operated as a Statewide agency since 1998. Since that time it has worked diligently to provide competent legal representation to indigent defendants. Caseload increases coupled with limited resources have presented challenges to the Commission's mission. This report outlines the public defender caseloads throughout the State; budgets and expenditures; and funding sources.

Defendants Represented by Jurisdiction FY 2010-2011
